BOYS' CLUBS TO HOLD BIG EVENT AT 'Y' ON FRIDAY

Honolulu's Premier Gymnastic Exhibitions Will Be Staged By S. W. Bobley

Next Friday evening, April 27th, the Honolulu Boys' Clubs are giving their annual athletic entertainment. Last year's program was conceded by all to have been a pronounced success and the best ever given here in Honolulu along the line of straight gymnastic exhibition.

With another year of training and instruction the work of the various clubs has improved beyond all expectation and a few comparisons will give one some idea of the progress that the boys of the different clubs have made. One year ago there were in all the clubs combined but eight boys who could turn the front air circle, or that which is most generally known as the front somersault in the air. Today Kakaako has six boys doing this stunt, the Koreans have six, the Kaimuki have six, the Industrials have twelve, and Manoa two.

Then there is the trick which requires the most practice and which is the dream of all floor gymnasium workers—the back hand-spring, or the leap in the dark. Last year there was but one boy in all the clubs that could consistently do this without assistance, and he was the proud property of the Kaimuki club, August Plada by name, and now a member of Honolulu fire department. Now Kakaako has two, the Koreans three, the Industrials three, and the Kaimuki have produced another to replace Plada, making nine in all.

There will be eight different clubs represented in the dumb bell drill, which number alone will bring 75 boys, the pick of these clubs, working at the same time. In the mat drill last year there were 50 boys of the different clubs taking part. This year there are 120 that have thus far qualified and to economize on time there will be four separate sets of mats in operation at the same time.

An Indian club class, the pick of the Kakaako, Korean and Industrial school clubs, will be a new number this year and will surely get a big hand as the past seven months of training has worked wonders with this division.

There will also be two pair of parallel bars and three bysses operating and in this way the program will not be permitted to drag but will in a sense resemble a three-ring circus. Another means of adding interest has been installed by S. W. Bobley in permitting but two boys of each club to enter the high and distance diving from the floor and but three from each of the clubs in the spring-board contests and the mat races and Honolulu crawl.

The Y. M. C. A. orchestra has consented to furnish the music and this will add greatly to the pleasure and program of the evening. The large well equipped new hall at Kakaako has been the golden opportunity for Robley in handling and developing the Kakaako, Koreans, N. A. C., and the P. B. C. clubs which meet there, and the results will be shown to the general public next Friday.

There are sixteen numbers in all, but so well arranged and timed that no cutting of numbers will be necessary, and the program, which starts promptly at 7:30, will close just as promptly at 9:45.

The tickets will be on sale Monday and the price is fifty cents for the best dollar show along this line ever given here. The proceeds of the entertainment will be devoted to partly paying the expenses of a company of 80 boys that will be picked from the different Honolulu boys' clubs to make a trip during the month of August to Kaula under the direction and supervision of S. W. Bobley.

'BARBARA FRIETCHIE' IS GREATEST SUCCESS PUNAHOU HAS YET KNOWN

Play Is Termed Best Produced By Academic Students and Achieves Big Success

The play, "Barbara Frietchie," given last night by the Punahou Dramatic Club was a distinct success. It was the best received play the Punahou Club has ever produced. It will be given again next Monday night in Charles R. Bishop Hall, the proceeds to go to the Allied war relief fund. "Barbara Frietchie" is a big four-act drama of the period of the Civil War. It abounded in thrills and time and again the action was interrupted by cheers. The whole thing is replete in action, and under the direction of Miss Jane Porterfield, not only was the chief plot fast and intensely interesting but also there were a hundred little details of "business" and touches of local color thrown in to make the play well set. Among such byplays may be cited the casual appearance of little pickaninies, the appearance of the Confederate flag, Margaret Austin's singing of "Kathleen Mavourneen," etc.

Every Seat Taken Charles R. Bishop hall was filled to the last seat; everyone in the audience was delighted and so expressed himself. The play terminated in a grand climax wherein the whole cast of about 50 stood waving the national colors and singing "America," with the audience joining in the song.

The incidental music furnished by an orchestra of a dozen pieces, under the direction of Mr. Ideler, added much to the spirit of the occasion by playing the old-time airs of the 1863 period, such as "Dixie," "Yankee Doodle," "Tramp, Tramp, Tramp," "The Boys Are Marching," etc. The scenery was beautiful done under the supervision of Frank Barwick.

All Parts Well Taken Every part in the play was done exceptionally well for academic students. The audience was carried from deepest emotion by the heroine, Eleanor Hero, to bursts of laughter at the lines of Mammy Lu, played by Frances Farrington. The work of Harry Hitchcock as Capt. Trumbull.
